POSSIBLE COMPENSATION

REF: DUSHANBE 0996

[1](#)1. (U) This is an action message. Please see para 2.

[1](#)2. (C) In response to reftel request, Department provides the following information that can be passed on to Tajik former Guantanamo detainees Shafi Rakhimovich Salikhov, aka, Maroof Saleemovich Salehove (ISN-208), and Mehrabon Faizulovich Odinaev (ISN-077). On the request for medical records, DOD provides to the receiving government a copy of the detainee's medical records and sufficient medication (if required) to treat any illness present at the time of transfer. DOD does not provide each detainee with a copy of these medical records. Salikhov should approach the Tajik government with his request for his records. (Note: Medical files on Guantanamo detainees are not available in electronic format. As a matter of standard practice, DOD does not provide each detainee with a separate copy of their medical files. DOD does not consider there to be any unique circumstances in these cases to consider establishing a new precedent). End Note).

3.(C) Regarding Salikhov and Odinaev's request for compensation, as a matter of standard practice, the USG does not pay compensation to detainees.
